

Link The Docs

User Guide

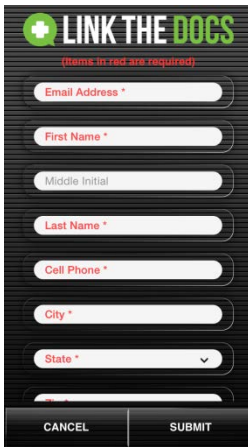

www.linkthedocs.com

After installing the application, you will need to enter your user information, email address and activation code to access the program.

If you do not have an activation code, click on the **“I'M NEW! SHOW ME AROUND”** button. Click **“YES”** for Medical Physician confirmation followed by the personal information form to enter your account info.

Note that the items listed in red are required and must be filled in.

The image shows a registration form for 'LINK THE DOCS'. At the top, there is a green plus icon in a circle followed by the text 'LINK THE DOCS'. Below this, a red note says '(Items in red are required)'. The form contains several input fields: 'Email Address *', 'First Name *', 'Middle Initial', 'Last Name *', 'Cell Phone *', 'City *', and 'State *' (a dropdown menu). At the bottom, there are two buttons: 'CANCEL' and 'SUBMIT'.

Your activation code will be emailed to you shortly after submitting your information.

The program is protected with user defined swipe code. Create your swipe pattern that will be required each time you access the program.

Should you forget the swipe you've created, you can always click the **“RESET SWIPE”** to regain access to the program.

The **“NAVIGATION”** button on the bottom left will be used to access the different parts of the program.

The **“ACTION”** button on the bottom right list task options for the program option you have accessed.

To exit the **“ACTION”** options and not perform a task, click the **“NAVIGATION”** button.

Click **“NAVIGATION”**, **“RECORD”** button to access message recording.

Click on the large **“PRESS TO RECORD”** button to record your message.

Click the **“PRESS TO STOP”** when finish recording.

Click the **“ACTION”**,
“SELECT RECIPIENTS”
 and select the name of the
 individual or individuals you
 want to receive your
 recorded message.

Other Send Options

While viewing the **Add Recipient**, Click on the **“ACTION”** button to list the send options

Show recipients:

- **“GROUPS”** – these are customized groups you can create
- **“FAVORITES”** – people that you’ve added to your favorite list
- **“FILTER/SEARCH”** – filter or search for Name, Specialty, Affiliation or Location

Press **“DONE”** when you’ve selected all you recipients and are ready to send

Click on the **“SEND”** button and the message will be sent.

Receiving New Messages

When you receive a new message, open the app and navigate to the **“INBOX”** click on your new message.

Messages that you have not been listened to yet will have the icon next to them

Click on the **“LISTEN TO MESSAGE”** button to hear the message.

The **“SPEAKER OFF”** shows the status of external speaker. To listen through the external speaker, press the **“SPEAKER OFF”** button. The button will display **“SPEAKER ON”**.

You may respond to the message by selecting **“Action”** and **“REPLY”** or **“REPLY ALL”**
